33' 2005 World Cat TE 33 Overview

Double Play is in excellent condition. The owner has only put 300 hours on it since new and it has been lift kept. Every extra to make it as fishable and cruisable as possible has been added and ordered.

Extras include all new cushions. A deluxe custom swim platform that makes diving a pleasure. Tako Outriggers that can be removed and stored two live bait wells. The good news is she has only been fished lightly!

Certainly no one will argue with you that World Cat offers the smoothest most stable ride among all fishing boats on the planet. "Double Play" has been babied every step of the way.

The owner would like her sold as he has decided to move in other directions these days. He is willing to look at all reasonable offers and has advised us to get her sold!
