General Description

The River Lodge offers excellent handling and sleek, contemporary styling, while providing comfort below decks for boaters embarking on a weekend cruise or on a cozy overnight escape. The wide open interior layout includes a well-appointed galley with refrigerator and electric stove, a crescent-shaped dinette / double berth, and a double berth forward with a privacy curtain. The 2870 can also comfortably accommodate overnight guests or additional family members with a fixed double berth, located aft to port of the companionway, and a privacy

curtain. Additionally, the large head features full standing headroom and a shower. The on-deck layout includes a double-wide helm seat, fore-and aft-facing cockpit settees, and a walk-through windshield with molded-in steps for easy foredeck access. To keep onboard guests comfortable and out of the elements, there is also a custom-fit full enclosure.
