*Dalilah Sue*

### 50' Alwoplast Power Catamaran

- Year: 2004
- **Current Price:**  
**US\$ 460,000 (04/16)**
- Located in Jacksonville, FL
- Hull Material: Composite
- Engine/Fuel Type: Twin diesel
- YW# 77126-2749438

Dalilah Sue is a 50ft, Alwoplast, Crowther design, Power Catamaran. Her cruising flexibility makes her a great all around cruising vessel. She offers a 3,000 nm range and cruises at 10 knots with a maximum speed of 25 knots. Her shallow draft, is ideal for the Bahamas, Keys or Great Loop cruising. Dalilah Sue features a 2 Stateroom, 2 head layout with all the comforts and amenities of a livaboard. Her current, original owners have priced her well below her survey value of \$726,000 to reflect their motivation to sell.

Sellers report a 4gph fuel burn at 8kts, 22gph fuel burn at 17kts and 44gph fuel burn at 23kts.

## Additional Specs, Equipment and Information:

Displacement: 50000 pound Bridge Clearance: 18.42 feet

## **Engines**

Engine Power: 900 HP

Cruising Speed: 10 knots

Maximum Speed: 25 knots

## **Tankage**

Fuel: 1300 gallon

Water: 175 gallon

Holding: 150 gallon

## **50' Alwoplast Overview**

Dalilah Sue is a well-maintained, Crowther designed Alwoplast power catamaran. She offers a 2 stateroom, 2 head layout (with the master stateroom on the pilothouse deck), CAT main engines, watermaker and a recent paintjob. Dalilah Sue also offers such flexibility as a 3,000 nm range at trawler speed or a 17 knot faster cruise. Then there is her shallow draft, ideal for the Bahamas, Keys or Great Loop cruising. Finally, there is her Crowther power cat design experience and her Alwoplast build quality. Bluewater or coastal cruising flexibility make her a great all-around cruising option. Sellers are winding down their cruising plans, so they are ready to sell Dalilah Sue and pursue other dreams now. Price reduced!

Sellers report a 4gph fuel burn at 8kts, 22gph fuel burn at 17kts and 44gph fuel burn at 23kts.

## **50' Alwoplast Vessel Walkthrough**

Entering the interior through the sliding glass doors from the covered aftdeck, you will find a dinette with pull out stools starboard aft, pull-out liquor/wine cabinet to starboard, stairs to the guest stateroom starboard forward, stairs to the pilothouse forward, a laundry room port forward and the galley port aft. Once in the pilothouse, the stairs to the flybridge are starboard aft, lower helm starboard forward, master stateroom entrance forward and salon with two stressless chairs and ottomans port and entertainment center to port. There are side deck access doors on each side. Once inside the master stateroom forward, the shower is to starboard, the head is port forward and there is an office port aft. Engine room access is via two deck hatches in the aftdeck.

## **50' Alwoplast Accommodations**

Dalilah Sue offers a master stateroom forward on the main deck with a centerline king size berth and ensuite head and shower and then a guest stateroom with a queen size berth and ensuite head and shower.

## **50' Alwoplast Salon**

The salon offers two stressless lounge chairs and ottomans, entertainment center forward, port side deck access door, Brazilian hardwood sole, Majilite Ostrich wall covering and an open wall to the galley aft.

## **50' Alwoplast Galley**

The galley is located port aft on the main deck.

- Norcold 12/24vdc/120vac refrigerator/freezer
- Origo stainless steel microwave oven

- McMurdo EPIRB
- Whale gulper 220 bilge pumps
- AFI horns
- 7 X Fire extinguishers
- Engine room fire suppression systems
- Trident gas control panel in the galley

## **50' Alwoplast Exclusions**

- Sellers' personal belongings

## **50' Alwoplast Sellers' Comments**

With international acclaim and 27 + years in the industry, Alwoplast continues to build superior custom catamarans, both power and sail. Their website depicts their commitment to engineering excellence and quality interior detail. Their "Past Highlights" section features Dalilah Sue as one of their finest accomplishments, and as her original owners we concur.

Dalilah Sue has appeared in several past issues of PassageMaker Magazine and MultiHulls Magazine and recently appeared in a trawler forum blog: "I think Alwoplast had a 50' or so power cat at the Miami Show once...very impressive. I think Crowther also designed the Barbara Mae, a beefy 50-60' or so power cat that struck me as one of the nicest designs yet. If I had the money to throw at a new Cat build, Alwoplast would be in the running."

She is a superior vessel both in performance and appearance and is priced well under her most recent survey valuation of \$726,000.

## **50' Alwoplast Disclaimer**

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
