- A timeless classic, COTE D'OR is believed to be the last Bristol 35.5 manufactured ... she is hull #184 built in 1995
- Her keel/centerboard configuration provides a minimum draft of 3.75' (board up) making her an exceptional Chesapeake Bay cruiser.
- She performs well under sail with her masthead sloop configuration and a 27hp Yanmar diesel engine offers ample auxiliary power when needed.
- COTE D'OR's beamy interior is light-filled and the cherry woodwork is striking.

NOTE: This classic has been generously donated to the Chesapeake Bay Maritime Museum (CBMM) and is being sold as part of their Charity Boat Donation Program. CBMM has partnered with Curtis Stokes & Associates to market their premier vessels.
