		Staterooms:	3
		Sleeps:	
		Heads:	3
		Price:	159,900 USD

Marine Trader 50 "Paradise" Overview

The Marine Trader 50 Pilothouse is a classic long-range trawler with a prominent bow and a salty, go-anywhere appearance.

Introduced as the Marine Trader 50 Pilothouse, she's built on a solid fiberglass hull with a wide beam, relatively flat aft sections, and a long, prop-protecting keel.

Below, the floor plan is arranged in the conventional pilothouse manner with the galley aft on the salon level and the master stateroom aft.

The amidships VIP cabin includes a tub in the adjoining head. Typical of so many Asian-built yachts, the entire interior is teak with the practical application of non-skid decks with only attractive teak trim.

She sports two wide side decks, two spacious engine rooms, and a Portuguese bridge.

One very attractive Marine Trader signature are the ornate teak carved doors that are throughout the interior.

Marine Trader 50 Dinghy and Davits

The Dinghy is a serious boat. She is a 12 foot Zodiac 350 Projet powered by a Yamaha 83 HP Jet Drive. The owner has added the Roskelley/Olsson Electric Davit that stays out of the way and operates with the touch of a button.

Marine Trader 50 Electronics

- Garmin GPS with cables to run a laptop, (Coastal Explorer software is presently used).
- Furuno 6kw Radar, 64 mile
- Datamarine depth sounder, pilothouse and flybridge
